If a state college or university requests a change to its official name, or if a new institution is created through merger or other means, the college or university president shall forward the proposed name to the Chancellor for recommendation to the Board. The Board shall establish a name after receiving a recommendation from the Chancellor.

A state college or university seeking to change its name, or a new institution seeking to create a name, must clearly state the rationale for the name change or new name. The institution must conduct market research and consult with key stakeholders within the campus or campuses and the surrounding communities. The rationale and the results of the market research and consultation must be presented to the chancellor at the time the request is made.

Subpart B. Name requirements. The proposed name may reflect the mission of the institution and should enhance the image of the college or university and Minnesota State Colleges and Universities.

50
51

The proposed name shall not reflect the name of any individual, corporation or other non-governmental entity.

55

Subpart C. Name change not required. This policy does not direct any institution to change its name.

56 Subpart D. Policy amendment. Approval of a name change by the board under this policy shall
