Agenda Item: Report on College-, University- and System-Related Foundations

☐ Proposed Policy Change  ☐ Approvals Required by Policy  ☐ Other Approvals  ☐ Monitoring

☑ Information

Cite policy requirement, or explain why item is on the Board agenda:
As prescribed in Board Policy 8.3, “College-, University- and System-Related Foundations,” the report provides information on the college-, university- and system-affiliated foundations including the dollar values of administrative support provided, returns to the college, university, or system or its students and any other information deemed appropriate.

Scheduled Presenter(s):
Maria McLemore, Executive Director, System and Foundation Relations

Outline of Key Points/Policy Issues:
See accompanying documents

Background Information:
BACKGROUND
As prescribed in Board Policy 8.3, “College-, University- and System-Related Foundations,” Maria McLemore, executive director for system and foundation relations, will provide information on the system’s 44 college-, university- and system-related foundations including the dollar values of administrative support provided, returns to the college, university, or system or its students, and any other information deemed appropriate.
