Brief Description:

Board Policy 1A.1, Part 6, Minnesota State Colleges and Universities Organization and Administration, requires periodic review of all board policies. Staff reviewed Policy 2.6 as part of the five year review cycle in 2015. The proposed amendment replaces outdated gender language with language that reflects the inclusive environment at Minnesota State Colleges and Universities.

The proposed revision was reviewed by the Office of General Counsel, cabinet, then sent out for formal consultation and received support from the presidents, employee representative groups, student associations and campus leadership groups. All comments received from the consultation were taken into consideration.

BOARD POLICY
Chapter: 2 Students
Section: 2 Intercollegiate Athletics

Policy 2.6 Intercollegiate Athletics

Part 1. Conference and Division Membership. Consistent with the unique identity and mission of the institution, a college or university may engage in programs of intercollegiate athletics. A college or university may join one or more conferences and add or remove sports after a review of the impact on students, and finances, and the institution’s facilities master plan, Title IX compliance, and completion of the student and college/university consultation process. The college or university shall operate according to the rules and standards of the conference as long as such rules are not in conflict with federal or state law, board policies, or system procedure. Adding any sport at the National Collegiate Athletic Association or the National Junior College Athletic Association division-one level requires a recommendation from the chancellor and prior approval by the board. A request for board approval of participation in a division-one-level sport shall be directed to the chancellor or designee and shall include analysis and review of the expected impact on students, institutional and student services finances, the institution’s mission and facilities master plan, compliance with equal opportunity requirements, and a report of the consultation process used.

Part 2. Gender Equity in Athletics. The Minnesota State Colleges and Universities are committed to providing equal opportunity in athletics for male and female students of all gender identities and gender expressions. Each college or university with intercollegiate athletics must provide athletic opportunities for students male and female students in accordance with federal and state requirements.

Part 3. Student Athlete Health Insurance. Students participating in intercollegiate athletics are required to maintain health insurance through a plan or rider that includes coverage for participation in intercollegiate athletics. Prior to student participation in intercollegiate athletics, colleges and universities must provide adequate written notice to students of the requirement for health insurance.
