

Minnesota State Colleges and Universities Board Policies Chapter 2 - Students

2.10 Student Housing

Part 1. Definitions. *Student housing:* Housing for students that is owned, staffed, and/or operated by Minnesota State Colleges and Universities.

Part 2. Requirement to live in student housing. The major purpose of college and university student housing is to provide affordable housing and educational programming for students. Colleges and universities may establish policy to require students to live in student housing. Such a requirement shall be initiated only after consultation with appropriate student groups including the campus student association.

Date of Implementation: 07/01/95

Date of Adoption: 06/20/95

Date and Subject of Revision:

01/17/07 – The amendment changed the title of the policy from *Residence Hall*, slightly broadened campus authority to establish a policy to require students to live on campus, and added "campus student association" to be consistent with Policy 2.3.
