

## Minnesota State Colleges and Universities Board Policies Chapter 4 – Human Resources

### 4.6 Re-Employment of Early Retirees

**Part 1. Board Determination.** The Board recognizes that there may be situations where the re-employment of a retiree who received early separation incentives is deemed necessary in order to provide program continuity or expertise not otherwise readily available. In such situations, a retiree can be re-employed for a limited period with the chancellor's or campus president's personal approval.
