5.17 Sustainability, Resources Conservation and Recovery, and Environmentally Responsible Practices

Part 1. Policy Statement. The Board of Trustees promotes sustainability, reduction of waste, resources conservation and recovery, and environmentally responsible practices, including energy conservation and pollution prevention, consistent with law and current executive orders.

Part 2. Responsibilities. The chancellor, in concert with college and university presidents, shall develop system-wide procedures and initiatives that reflect long-term stewardship of the campus physical environment. The chancellor shall develop facilities planning guidelines, design and construction standards, and energy conservation procedures that appropriately provide for enhanced sustainability and long-term stewardship of campus physical resources.

College and university presidents shall develop and implement campus-based initiatives in support of these practices, and identify and report accomplishments consistent with Part 3.

Part 3. Accountability. The system office, and each college and university shall appoint a representative(s) for all environmental and resource recovery issues and shall maintain records regarding recycling, energy consumption and conservation, and pollution prevention efforts. The system office and each college and university shall report progress and accomplishments periodically to the Board.
