This item is a second reading policy document.

Scheduled Presenter(s):

Linda L. Baer, Senior Vice Chancellor for Academic and Student Affairs (Mike López)

Outline of Key Points/Policy Issues:

The proposed amendment streamlines language by deleting procedural guidelines, which now appear in a proposed procedure 3.8.1. Language is added to the policy to clarify that grade appeals are not to be handled through the grievance policy.

Background Information:

Policy 3.8 was developed prior to merger with no subsequent amendments. Policy 1A.1, Part 6, Subpart H. Periodic Review requires that policies be reviewed at least once every three years. Policy revisions and a procedure need were proposed by a Student Conduct Task Force during the past winter. The proposed policy revision and procedure were sent out for review and comment on September 2, 2005 and October 27, 2005. Comments were reviewed and considered for inclusion in the proposed policy.
INTRODUCTION

The Office of the Chancellor is submitting an amendment to Policy 3.8 Student Grievance.

BACKGROUND

This policy was developed prior to merger and incorporated previously existing system policies. No subsequent amendments have been made. The proposed amendment authorizes the development of a new procedure 3.8.1 and moves procedural language into that newly created procedure. The proposed procedure adds clarifying language and deletes unnecessary language. Additionally, the proposed procedure authorizes the chancellor to be the final decision maker in cases alleging violation of system policy or procedure.

RECOMMENDED COMMITTEE ACTION

The Educational Policy Committee recommends that the Board of Trustees adopt the following motion:

RECOMMENDED MOTION

The Board of Trustees approves the proposed amendment to Policy 3.8 Student Grievance.
Policy 3.8 Student Complaints and Grievances

Part 1. Definitions

Appeal: A request for reconsideration of a grievance application of a policy or procedure.

Complaint: An oral claim by a student alleging improper, unfair, arbitrary or discriminatory treatment.

Grievance: A written claim raised by a student, alleging improper, unfair, arbitrary, or discriminatory action by an employee involving the application of a specific provision of a college or university rule/regulation or a board policy or procedure.

Retaliation: Retribution of any kind taken against a student for participating in a complaint or grievance.

Student: An individual student, a group of students, or the student government.

Part 2. General Statement of Policy. A student has the right to seek a remedy for a dispute or disagreement through a designated complaint or grievance procedure. Each college and university shall establish procedures, in consultation with student representatives and others, for handling complaints and grievances. These procedures shall not substitute for other grievance procedures specific in board, college, or university policies or procedures, regulations or negotiated agreements. This policy does not apply to academic grade disputes. Grade appeals must be handled under a separate college/university academic policy. Students should use available informal means to have decisions reconsidered before filing a complaint or grievance. No retaliation of any kind shall be taken against a student for participation in a complaint or grievance. These procedures shall also protect data privacy rights.

Part 2. Procedures. The chancellor shall establish procedures to implement this policy. The student grievance policy and procedures of colleges and universities shall comply with Policy 3.8 and Procedure 3.8.1.

Each college and university shall inform students of the established complaints and grievances procedures. These procedures should be publicized to students at least annually and include information for students about how and where to obtain grievance forms.

A student may complain concerning any college or university issue, and discuss it with the appropriate employee(s), and/or administrator(s) as established by college or university procedure. A complaint may constitute a grievance, if not resolved, and if the complaint falls within the definition of a grievance.

Part 5. Grievances.

Subpart A. Timeframe. The college or university shall develop and publish a timeframe that establishes reasonable time requirements for each step of the process.

Subpart B. Submit grievances in writing. All grievances must be submitted in writing. The college or university shall develop a grievance form which will provide an explanation of the grievance step procedures and timelines.

Subpart C. Appeals.

1. The grievance procedure shall include an opportunity to appeal a grievance decision. The individual to whom an appeal is directed should be identified by the college or university for the issue(s) in question.

2. If the grievance involves a college or university rule or regulation, a student may appeal an official grievance through procedural steps up to the president or designee. The decision of the president or designee is final and binding.

3. If the grievance involves a board policy or the actions of a college or university president, a student may further appeal the college or university decision through the chancellor to the board. The decision of the board is final and binding.
