**ACTION PLAN APPROVAL**

**BACKGROUND**

The 2006–2010 Action Plan is built upon the Strategic Plan approved by the Board of Trustees in January 2006. The Action Plan will guide the work and outcomes of the Minnesota State Colleges and Universities. The Board of Trustees reviewed and discussed a draft of the document in April and was interested in the further development of the key measures. Trustees also asked for greater delineation of a few key ideas.

Senior Vice Chancellor Linda Baer and her staff developed a framework that includes several breakthrough initiatives. On May 2, 2006 the Leadership Council further refined and developed the ideas which are depicted on the graphic attached to this document.

The Acton Plan is nearing completion and will be sent under separate cover.
